

FINAL FY14 Enlisted Retention Board (ERB) Eligibility Information

- This file contains the FINAL eligibility information and reflects the actual number of Airmen that will be separated involuntarily on the FY14 ERB.
- There are reductions to “Overages” throughout this matrix that reflect the impact of the Quality Force Review Board losses along with new force structure decisions that increased manpower requirements for some AFSCs.
- The “Estimated Eligible” numbers have been replaced with “# Meeting ERB.” These numbers now indicate the number of Airmen meeting the ERB. Although SSgt and TSgt promotion results have not been released publicly, Airmen projected for promotion have been removed from FY14 ERB consideration. Previous matrices factored in an estimate for the number of anticipated promotions for each AFSC/grade group.

How to read and interpret this matrix:

GRAY boxes indicate grade/AFSC groups that are ineligible for the ERB.

GRAY boxes marked “CLOSED” indicate grade/AFSC groups that were originally notified of ERB eligibility who are no longer eligible for the ERB because no more overages exist.

The “Overage” number in a specific grade/AFSC block indicates how many losses need to be achieved through the FY14 voluntary and/or involuntary programs.

The “# Meeting ERB” number tells you how many Airmen in your grade/AFSC group are meeting the FY14 ERB. Airmen that received an Enlisted Retention Recommendation Form (ERRF) and are still in an open group on this matrix are meeting this board. *Exception: SSgt and TSgt promotees have been removed*

Frequently Asked Questions Regarding the FY14 ERB Eligibility Matrix

Q1. What do the numbers in the white blocks mean?

A1. The number listed in the “Overage” column indicates the number of Airmen we need to reduce within your AFSC and grade group—through either voluntary or involuntary programs. The number listed in the “# Meeting ERB” column indicates the number of Airmen in that specific grade/AFSC that will be considered by the FY14 ERB.

FINAL FY14 Enlisted Retention Board (ERB) Eligibility Information

Q2. If there is an overage number listed in my AFSC for my grade, does that mean I'm going to meet the FY14 ERB?

A2. If your grade/AFSC block contains an overage number **AND** you received an ERRF (because you met the eligibility criteria), then you will meet the FY14 ERB. *Exception: SSgt and TSgt promotees (not yet announced) have been removed.*

Q3. My box is gray and has no number. Am I eligible for the FY14 ERB?

A3. No. If you belong to an AFSC/grade group that is grayed out, then you will NOT meet the FY14 ERB.

Q4. I received notification that I will be meeting the FY14 ERB and my commander completed an ERRF on me. However, my grade/AFSC box now says "CLOSED." Am I going to meet the FY14 ERB?

A4. No, you will not meet the FY14 ERB.

Q5. Will these numbers change?

A6. No. These are the final numbers for the FY14 ERB.
