

# Nuclear and Missile Operations Career Field Incentives

To attract and retain high-caliber Airmen in the nuclear mission, incentives are being introduced, including:

- New ICBM-duty Reserve Officer Training Corps scholarships
  - 10 already awarded
- Missile launch officer accessions bonus pay
  - New missileers after successfully completing initial skills training
  - Effective Oct. 1, 2014
- Targeted incentive pay for Airmen operating outside the main base
  - Effective Oct. 1, 2014
- Nuclear Deterrence Operations Service Medal
  - SECAF approved on 27 May 2014
