

SECRETARY OF THE AIR FORCE
WASHINGTON

JAN 13 2021

To the Men and Women of the Air and Space Forces and your Families,

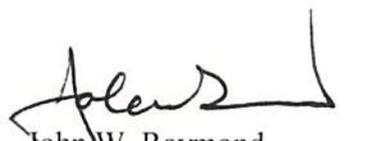

As military and civilian Airmen and Guardians, we have a job to do. Guided by our Core Values, the American people expect us to be disciplined and focused on defending our country. Our actions build the sacred trust placed in the military by American citizens, but our actions can also erode our credibility as an institution. You are called to exhibit conduct of the highest standard.

We swore an oath to support and defend the Constitution of the United States. On the 6th of January, the violent assault on our Nation's Capitol was an attack on the foundation of our great republic. Our oath demands that we are unwavering in safeguarding American ideals.

It is a privilege to serve with each of you to defend the Nation and the rights imparted to the American people by our Constitution. Remain steady and stay focused on your duties to the country. We are proud to stand beside you in service to our Nation.
