

# 2018 AFA AIR WARFARE SYMPOSIUM

## MEDIA AVAILABILITY

### 22-23 February, 2018

(For more information contact the Air Force Press Desk at 703-695-0640)

## 22 FEBRUARY (THURSDAY)

### **AIR FORCE SPECIAL OPERATIONS COMMAND**

**8:40AM**

**Lieutenant General Webb**

There is a way...we find it: AFSOC's vision for achieving balance across the spectrum of conflict.

---

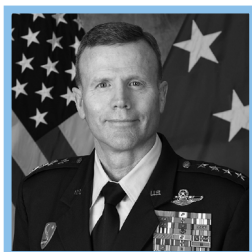

### **AIR EDUCATION AND TRAINING COMMAND**

**9:20AM**

**Lieutenant General Kwast**

Air Education and Training Command is in the process of transitioning force development into the digital age, looking at ways to teach Airmen to outpace, outthink, and out-innovate our adversaries. Lt. Gen. Kwast will speak to those efforts across the entire Continuum of Learning.

---

### **UNITED STATES AIR FORCE IN EUROPE**

**10:30AM**

**General Wolters**

Gen Wolters will provide an update on strategy, current operations and partnerships of significance to USAFE-AFAFRICA. Topics include the new USAFE-AFAFRICA strategy, NATO Air Policing, recent rotational aircraft deployments to Europe, and USAFE's execution of the European Defense Initiative.

## 22 FEBRUARY (THURSDAY)

**AIR COMBAT COMMAND**  
1:10PM  
General Holmes

**SECRETARY OF THE  
AIR FORCE**  
3:00PM  
Dr. Heather Wilson

### **SPARK TANK CONTESTANTS** 5:20PM

The Air Force's Spark Tank finalists will be available for media interviews immediately following the Air Warfare Symposium event highlighting their innovative ideas to Air Force senior leaders. To learn more about their submissions go to the following link. <http://www.af.mil/News/Article-Display/Article/1424614/air-force-announces-spark-tank-finalists/>

## 23 FEBRUARY (FRIDAY)

**AIR FORCE CHIEF OF STAFF**  
9:30AM  
General Goldfein

**AIR FORCE SPACE COMMAND**  
10:15AM  
General Raymond

Gen Raymond will be the U.S. Air Force's FY19 space superiority investments, highlighting ongoing developments and future investments to ensure we can protect and defend our space assets and maintain space superiority.

**Topics:**

- FY19 space superiority investments
- How Space Superiority enables joint force lethality
