RONALD J. DOUGHERTY, Colonel, USAF
Director, Manpower, Personnel and Services

Attachment:
Afghanistan Campaign Participation Credit

Afghanistan Campaign Participation Credit

1. The units listed in the following table meet the criteria for Afghanistan campaign participation credit for the phase(s) indicated and should display the applicable Afghanistan Campaign Streamer(s) on their flags (establishments) and guidons (units).

2. 9th Air and Space Expeditionary Task Force Units

a. Major force provider units (formerly known as supported expeditionary units) earn campaign credit and likewise confer those honors on an associated permanent unit. Each supported expeditionary unit listed is distinct and has no lineal tie to any other unit, even units with identical designations. However, permanent units receiving conferred honors are authorized to display no more than a single streamer for each campaign phase, regardless of how many like-designated supported expeditionary units have earned campaign participation credit.

b. Rainbow expeditionary units (listed below without conferrals) earn campaign credit and subsequently retain those honors if converted back to permanent status.

3. Unit lineages, in most cases, remain classified. For questions concerning specific unit eligibility, conferrals, etc., contact USAFCENT/HO at DSN (312) 965-1441, commercial (803) 895-1441, or send email to AFCENT.HOShaw@afcent.af.mil (NIPR) or AFCENT.HOShaw@afcent.af.smil.mil (SIPR).

4. Units must procure streamers through USAF supply channels—local purchase is not authorized. The national stock number for the Afghanistan Campaign Streamer is 8345-01-576-4778. Complete DD Form 1348-6 and e-mail to DLA Defense Supply Center Philadelphia (jeanne.bildner@dla.mil or carol.newman@dla.mil). Ensure DD Form 1348-6 block 8 contains the approved campaign phase embroidery and streamer size.

a. Approved embroidery for each campaign phase is as follows:

LIBERATION OF AFGHANISTAN 2001
CONSOLIDATION I 2001-2006
CONSOLIDATION II 2006-2009
CONSOLIDATION III 2009-2011.

b. Streamer sizes are 1-3/8-inches by 2-feet for squadron guidons and 2-inches by 3-feet for headquarters (HQ) establishment (wing, group) organizational flags.

5. TRANSITION I campaign is currently open and no streamers will be awarded until the Department of Defense establishes an end date.

6. Air Force Special Operations Command units – AFSOC units appear in a table after USAFCENT units.
