Global War on Terrorism – Expeditionary Campaign Participation Credit

## Global War on Terrorism-Expeditionary Campaign Participation Credit

1. The units listed in the following table meet the criteria for Global War on Terrorism-Expeditionary (GWOT-E) campaign participation credit and are authorized to display the GWOT-E campaign streamer on their flags (establishments) and guidons (units).

### 2. 9th Air and Space Expeditionary Task Force Units

a. Major force provider units (formerly known as supported expeditionary units) earn campaign credit and likewise confer those honors on an associated permanent unit. Each supported expeditionary unit listed is distinct and has no lineal tie to any other unit, even units with identical designations. However, permanent units receiving conferred honors are authorized to display no more than a single streamer for each campaign phase, regardless of how many like-designated supported expeditionary units have earned campaign participation credit.

b. Rainbow expeditionary units (listed below without conferrals) earn campaign credit and subsequently retain those honors if converted back to permanent status.

3. Unit lineages, in most cases, remain classified. For questions concerning specific unit eligibility, conferrals, etc., contact USAFCENT/HO at DSN (312) 965-1441, commercial (803) 895-1441, or send email to [AFCENT.HOShaw@afcent.af.mil](mailto:AFCENT.HOShaw@afcent.af.mil) (NIPR) or [AFCENT.HOShaw@afcent.af.smil.mil](mailto:AFCENT.HOShaw@afcent.af.smil.mil) (SIPR).

4. Units must procure streamers through USAF supply channels—local purchase is not authorized. The national stock number for the GWOT-E campaign streamer is 8345-01-576-4649. Complete DD Form 1348-6 and e-mail to DLA Defense Supply Center Philadelphia ([jeanne.bildner@dla.mil](mailto:jeanne.bildner@dla.mil) or [carol.newman@dla.mil](mailto:carol.newman@dla.mil)). Ensure DD Form 1348-6 block 8 contains the requested embroidery “GLOBAL WAR ON TERRORISM” and streamer size. Streamer sizes are 1-3/8-inches by 2-feet for squadron guidons and 2-inches by 3-feet for headquarters (HQ) establishment (wing, center, group) organizational flags.

5. Other units – Air Mobility Command, Air Force Special Operations Command, and Air Force Office of Special Investigations units appear in respective tables following the 9 AETF units table.
